

Serial No.

Remarks

The Notice Of Omitted Item(s), 06/08/2004, brought to the applicant's attention that there was no FIG. 7 in the filed application. After examining the filed application, applicant has determined that the reference to FIG. 7 should have been to FIG. 6 in the Brief Description of the Drawing section. This section has been amended to reflect this fact. Applicant has deleted all references to FIG. 7.

Although the foregoing is believed to be dispositive of the issues in the application, if the Examiner believes that a telephone interview would advance the prosecution, the Examiner is invited to call applicant's attorney at the telephone number listed below.

Respectfully,

Julian James Orbach
